

**OLIN MEN®
Skilled Tradesman**

Wednesday, July 22, 2020

Job Description Synopsis

An *OLIN MEN® Skilled Tradesman* is responsible for accomplishing skilled construction tasks in a timely fashion. The skilled tradesman is expected to follow instructions and supervise 1 helper.

Qualifications

This is an mid-to-advanced level, full-time position requiring a high school diploma or equivalent, substantial construction industry experience in various trades, ability to estimate the quantities of materials and times needed for tasks assigned, and an ability to communicate in English reasonably. *OLIN MEN®* will require on-the-job-training in its proprietary operating system. An online evaluation and background check will be required. Negative results will not necessarily disqualify a prospective employee. So, don't worry needlessly.

Desirable Characteristics

An *OLIN MEN® Skilled Tradesman* must be honest, reliable, systematic, team-oriented, detail-oriented, organized, skilled in various trades, and a problem-solver.
